Rounding List

There are two ways to create a Rounding List.

- Manual Rounding List :

Practitioner can self generate a Manual Rounding List.

Please see the slides from 6 to 9 for more information...

- Automated Rounding List :

Please see the next slide for further information....

Automated Rounding List

- Patients Eligible for Medical Care are highlighted in **Orange**, so Practitioners can complete rounds faster.
 - Last Encounter was 60 Days or before (# of Days is Configurable)
 - A Nursing Note recorded after the last Encounter
 - A Practitioner Note (Hand-Off) recorded after the last Encounter
